

ESA GRANTS AND FELLOWSHIP PROGRAMMES DO NOT MISS THE DEADLINES!

1. ESA Research Grants Programme 2010

The research grants are intended to promote anaesthesia-related research in Europe, and to encourage anaesthesiologists to extend the frontiers of their practice or understanding. Priority will be given to topics that have no alternative sources of funding.

Applications are sought for the following:

- Project grants of up to € 60,000 each, to support work of up to two years duration.
- Research support grants for amounts up to € 15,000 to assist work in progress or pilot studies.

Applications are invited for the following fields:

1. Clinical research
2. Experimental research
3. Patient safety

Applications must be submitted to research@euroanaesthesia.org **no later than Friday 4 September 2009.**

These grants will be awarded to start on or after 1 January 2010.

For more information and guidelines for grant applications please visit:

<http://www.euroanesthesia.org/sitecore/content/Education/Grants/Research.aspx>

2. ESA Fellowship Programme 2010

The ESA Fellowship Programme aims to select the best trainees and allow them to visit, for a period of 3 months training, the best training centres that Europe can offer.

Criteria have been established to allow us to identify the best and most promising trainees, and the centres which can offer the best of teaching and experience in Europe: with grants sufficient to cover living expenses and learning in these centres, the ESA seeks to mix together the two ingredients, for the primary benefit of the trainees.

The programme allows for six fellowships of up to € 10,000 each to be awarded in 2010, to cover travel, living expenses and accommodation, each for 3 months.

Applications must be received **no later than Tuesday, 15 September 2009.**

Applications from already awarded fellows will not be considered.

Please submit application to: fellowship@euroanesthesia.org

For more information: [www.euroanesthesia.org/Education/Fellowship Programme.aspx](http://www.euroanesthesia.org/Education/Fellowship_Programme.aspx)

3. Teaching Recognition Award of NASC

The purpose of this Award is to discover an individual with outstanding teaching skills.

The award winner will be required to give a total of 3 lectures. One lecture must be presented as a Refresher Course Lecture at the annual Euroanaesthesia congress. The other two lectures will be given on ESA satellite meetings of national societies. The award winner will receive a travel reimbursement for every lecture according to ESA policy. The rest of the travel expenses will be paid by the host departments or congress organisers, if necessary.

Applicants should not be older than 40 years of age. To qualify, applicants must be member of the European Society of Anaesthesiology (ESA). Applicants must submit their Curriculum Vitae as well as an outline of their lecture. Each application must be accompanied by a letter from the applicant's Chairperson, and a letter of the President of the National Society outlining the teaching qualifications of the applicant.

One award is given for applicants from Eastern European countries and one award is given for applicants from Western European countries.

Please submit applications to the ESA Secretariat: esa@euroanesthesia.org **no later than 30 September 2009.**
